# Foreword

Dennis Specialist  
Vehicles Ltd.  
Squash Championships

Welcome once again to the National Championships. 1989 will perhaps be very significant for Fire Service Squash as the old guard attempt once again to stem the challenge of the younger players who perhaps by now have gained enough experience to pose a serious threat.

Preparation for the Championship is a vital factor, the ability to play several hard games in close proximity to each other is a crucial factor in deciding who ultimately will lift the trophy on Sunday and perhaps the ultimate test of a true champion.

Preparation for the championship on the organisational front is also a vital factor and several significant changes over the years have ensured that we have been able to provide the best possible format in all the categories within the limitations of time, finance and facilities.

A great deal of hard work has been taking place in the weeks preceding the Championships and most of this revolves around our Secretary Terry Burney who after four years in harness will be handing over the books this year. On behalf of you all, I would like to place on record the sincere thanks of the squash section to Terry whose hard work has enabled the section to break new grounds on several fronts including a tour of Ulster and a visit to the Continent of Europe. Terry has had to retire from competitive squash due to a knee that 'plays him up' after a hard game and will now be concentrating on reducing his golf handicap although I'm sure he won't be able to resist showing his face on the squash front on the odd occasion.

No foreword would be complete without a word of thanks to the invaluable support, of our sponsor Dennis Specialist Vehicles whose support we have come to rely on as a vital ingredient for the success of these Championships.

Their commitment enables a great deal of the work to proceed without any worries about that most basic of essentials, finance, and enable your personal costs to remain at a minimal level. Thank you Dennis Specialist Vehicles.

May I finally wish you all the best of luck both on and off court and I am sure we will see a series of finals on Sunday morning to compare with the best of those that have gone before.

Squash Championships

Welcome back to Prestatyn. A word of thanks for our sponsors Dennis Specialist Vehicles for their continued support of our National Championships. Without their help I am sure we would struggle financially to put on such a good show.

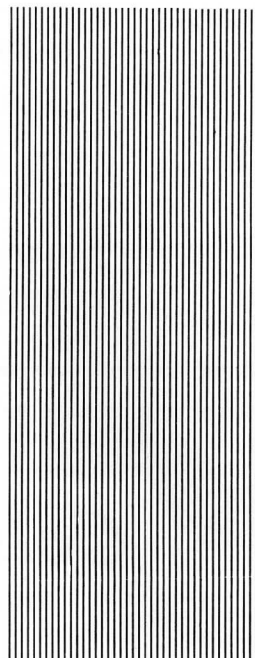

Thanks also to the St. Melyd Squash Club for putting up with us for the last 13 years and their members who allow us to occupy their club for the weekend.

This is my last year as Secretary and I would also like to thank all the players here for their effort in making the Championships a success.

Also a special mention for all of the officials and players who have represented the National Team over the last 4 years for their support which has made my job a lot easier.

I have enjoyed all the matches and have had the opportunity of visiting several interesting places and would like to wish the new Secretary the best of luck.

**Terry Burney.**

# QUADRANGULAR TOURNAMENT

Dennis Specialist  
Vehicles Ltd.  
Squash Championships

The Fire Service was proud to host this year's Quadrangular Squash Tournament between the Army, Royal Navy, Police and Fire Service. The venue was the Fire Service College, Moreton-in-Marsh and was held on September 23rd and 24th.

This year the results were as follows.

- 1st. Police - 21 points
- 2nd. Fire Service - 13 points
- 3rd. Army - 6 points
- 4th. Royal Navy - 2 points

This was a fantastic result for the Fire Service with wins against the Army and Royal Navy who both beat us last year when we ended up last.

The Police regained the trophy they lost to the Army last year by beating all the teams 5-0.

Players representing the Fire Service were as follows.

1. Steve Johnson, G.M.C.
2. John Limb, Notts.
3. Don O'Sullivan, Merseyside
4. Mick Miller, Warwickshire
5. Frank Norton, London
6. Bob Scambler, West Mids.

On Friday we were to meet the Police and expected a hard match. Results as follows.

1. Steve Johnson	0	Dave Saunders	3
2. John Limb	0	Grant Butterworth	3
3. Don O'Sullivan	1	Paul Bright	3
4. Mick Miller	0	Tarique Ghaffur	3
5. Frank Norton	0	Shaun Hobbs	3
6. Bob Scambler	0	Stuart Anderson	3

This was not the best of results but although beaten, everyone was playing good squash and some of the games were very close. Don O'Sullivan took a game of Paul Bright but at the end of the day the Police were the stronger side.

On Saturday 24th we were up against the Navy who we had lost to 3-2 last year. All the players rose to the challenge and had our best win with a complete whitewash.

Fire		Navy	
Steve Johnson	3	Alex Johnstone	0
John Limb	3	Stuart Walters	0
Don O'Sullivan	3	Ian Lockwood	0
Mick Miller	3	Nobby Hall	0
Bob Scambler	3	Steve Prior	0
Frank Norton	3	Jason Youdale	0

This result really got us back into the tournament and we looked forward to our match against the Army in the afternoon. The Army had a slightly weaker side than last year but we would still have to play well to beat them.

After a well deserved rest and some food the tournament commenced and the result was as follows.

Dennis Specialist  
Vehicles Ltd.  
Squash Championships

Fire		Army	
Steve Johnson	3	Tom Pollard	2
John Limb	3	Peter Ratcliffe	2
Don O'Sullivan	3	Dave Bradley	0
Mick Miller	0	Bob Perkins	3
Bob Scambler	3	Ray Surgeon	0
Frank Norton	1	Trevor Henry	3

The result was the icing on the cake which also gave us second place in the tournament. Both Steve and John had very hard games, both going to 5 sets.

Don continued his good form by winning two matches in one day without dropping a set, and Bob managed the same.

Once again this result rounded off a great weekends squash. My thanks to all the players for their efforts and hard work to secure for the Fire Service 2nd place behind the Police in this tough tournament.

T. Burney.

# 1988 SQUASH TOUR TO NORTHERN IRELAND

Dennis Specialist  
Vehicles Ltd.  
Squash Championships

On 18th April 1988 the National Fire Service Squash Team left Bootle Docks for a four day visit to Northern Ireland. We had travelled from all over the country to meet at Bootle at 10am and prepared ourselves for the 8 hour ferry trip to Belfast which was going to be our home. Unfortunately Steve Johnson was unable to play at the last minute due to manning problems within his brigade which moved everyone up in the seedings.

Players representing the Fire Service were:-

John Limb	Nottinghamshire
Don O'Sullivan	Merseyside
Mick Miller	Warwickshire
Pete Davis	Nottinghamshire
Frank Norton	London
Nigel Head	London

## Officials

J. Sherrington	Vice Chairman
T. Burney	Secretary
B. Rose	Adviser

The journey over to Ireland was very calm and it was quite empty on board which gave us plenty of room to stretch our legs. Several of the players visited the pictures on board where they watched Fatal Attraction others said they would watch it on the way home.

We finally arrived in Ireland at about 1930 hours where we were met by Willie Hamilton and Ashley Coulter who were to spend the next four days looking after us and making sure we didn't go anywhere we shouldn't. In fact if it had not been for Willie and Ashley our tour would not have been possible and we shall always be grateful to them for all the work that went into the arrangements made.

Players and officials sightseeing in Londonderry

Fortunately we had our own transit that was in loan from Essex County Fire & Rescue Service and we were quickly unpacking our bags at Central Fire Station, Belfast where we took over the training quarters.

Dennis Specialist  
Vehicles Ltd.  
Squash Championships

Arrangements had been made for the evening and we found ourselves wandering around the streets of Belfast where a table had been booked at a nightclub for a meal and a tast of the Irish guinness which is something special.

Next morning we were up early and went to another station for breakfast which involved travelling up to the Falls Road area. This was our first hint that things were not quite right over here with side roads barricaded and police stations looking like fortresses.

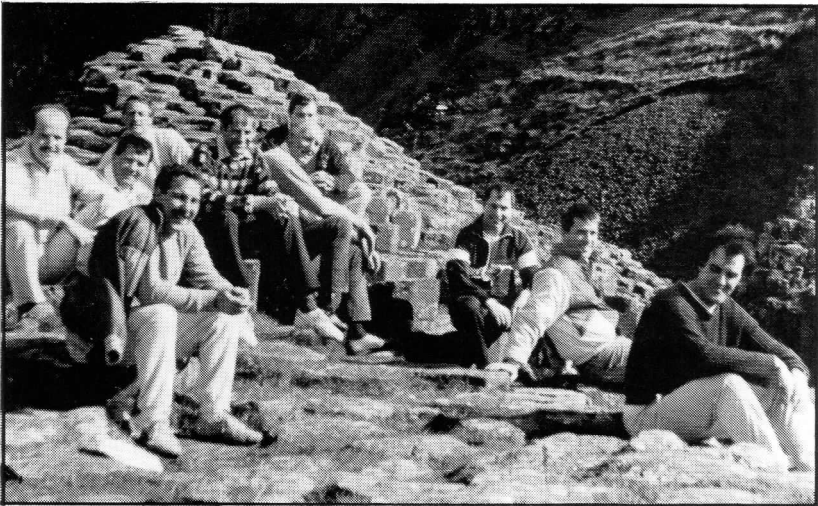

We had a cracking breakfast and set out for Londonderry where we spent the morning looking around the town and shopping. We also visited the border area where you can look down on Bogside.

In the afternoon we visited Giants Causeway which was quite impressive and sat on the beach preparing overselves for our first match that evening against a Colrane Club side.

We made our way to the club and we knew we were going to have a tough match the following night when the Colrane side beat us 3-2. It was hoped that this match was going to be a bit of a warm up for the big game against Ulster.

Scores as follows:-

Fire Service		Colrane	
John Limb	3	John Wright	0
Don O'Sullivan	0	Vel McGuire	3
Mick Miller	2	Tom Allen	3
Pete Davis	2	Jack Allen	3
Nigel Head	3	Billy Cameron	2
Res. Frank Norton	3	John McDowell	0

Players and officials resting at Giants Causeway

The result could easily have gone our way with 2 of the 3-2 results going against us. Having travelled 80 miles that day following 2 late nights we put the result down to fatigue and settled down in the bar to watch Barry Maguigan fight live on T.V. with the odd pint of guinness. It was hard work travelling back to Belfast that night but we made it okay and straight to sleep.

Breakfast the following morning up the Falls Road and then a visit arranged to the new Northern Ireland Fire Service HQ where we were shown around by the D.C.O. and then had dinner with the Chief who was pleased to see us.

Mr. Sherrington presented the Chief with a small memento to show our appreciation for the hospitality that had been shown to us and we made our way back to Central Fire Station to prepare for the evening match.

A couple of hours was spent shopping around Belfast and then on to the squash club for our match against the Ulster County Side.

This turned out to be a hard match as expected and although the end result was quite convincing the games were harder than the score suggests.

Results as follows:-

1. John Limb	0	David Gotto	3
2. Don O'Sullivan	0	Graham Stewart	3
3. Mick Miller	0	Vincent Paliczka	3
4. Pete Davis	0	Duncan Cameron	3
5. Frank Norton	0	Stanley Campbell	3
6. Nigel Head	2	Billy White	3

All of the players raised their games and really got stuck in. One aspect of the game that did confuse us though was the fact that all top class squash is played in Ireland with white spot balls which did not suit us in the least. This was one match where we missed Steve Johnson at No.1 seed who would have moved everyone down making the match much closer.

Anyway we drowned our sorrows after this one and eventually made it back to the station where everyone was introduced to the highly competitive game of 'spoons'. A lot was learned by the committee of the honesty, integrity and upright qualities of some of the members present who shall remain nameless. Needless to say a very strict adjudicator had to take control of the game and ensure that all surplus spoons were confiscated before a winner could be found.

Next day was a free day before travelling home in the evening. Some played golf and some played some more squash. Anyway we all seemed to meet up in the same bar about 2 hours before leaving where we said our goodbyes and boarded the ferry at about 2200 hours.

It had been quite an experience for us and we shall not forget.

My thanks once again to all our colleagues in Northern Ireland and to the players who represented the Fire Service on this tour for their support.

**Terry Burney.**

On Saturday night after consuming vast quantities of local ale Peter Rataj challenged the lovely Debbie (Club Coach) to a game on Sunday morning. After making several comments on a females abilities to compete in such a rough, tough ruthless game she agreed.

After the game which lasted 12 minutes, Debbie not even broken sweat holds up the score. Unlucky Peter, try a return match this year.
