The Four Nations were held in Derby West End Bowling Club. This was hosted by the English Section.

The first Match on the Friday was against Derby Select V UKBowls Section. I do believe that we won.

The Saturday and Sunday was when the Four Nations took place. These consist of four's, triples, pairs and singles.

Scotland won the Captains Cup which is the a combination of all games points.

Sunday Afternoon is when we have the AGM of the Section.

Sunday Night is the Presentation Dinner when all the trophies are handed out, and a bit of socialising and the odd drink or two. This was also attended by the Officials of the host club.

2024 sees the four Nations being hosted by Scotland in Irvine.
