

**FSUK CLAY TARGET SHOOTING SECTION**  
**ANNUAL GENERAL MEETING**  
**Doveridge Shooting Ground**  
**Wednesday 6th October 2023 MINUTES**

The FSUK Clay Target Section has had a very successful year in which there has been close competition in all the Inter Service and Fire Service Competitions.

The section goes from strength to strength, and we have been able to attract new members from many services.

A really big thank you to all of you who regularly compete and support the section, clay shooting is becoming more and more expensive so to receive such strong numbers is testament to the commitment as a section.

A discussion took place over the support for 2024 Inter Service series. In 2023 there were more numbers competing for the GB team even though the members were paying nearly 100% of entry fees.

The Secretary reported that the new Whatsapp group was working well and the Social Media guru continued with updating the site.

Any members who wanted items posted on the Clay target Shooting page should forward it to the Section Secretary.

**Treasures Report:**

The Treasurer circulated the Section Balance Sheet and gave a brief report on the Sections finances.

It is hoped that FSUK will be forthcoming with external funding.

A request was made to consider replacement team kit. It was decided to source prices and samples for the Fire Service. Once a supplier and embroiderer has been found and the prices agreed, the Section clothing stocks would also be available to purchase.
