### **Narrative**

**Holding:** We have still only repaid some of the funds we have been holding for Fire Rugby UK and all of the Athletics sections from when they changed bank accounts. See below the narrative from past year's accounts. We still hold £4559.17 for Fire Rugby UK which is for Fire Rugby Scotland and Fire Rugby Ireland.

*[The Rugby and Athletics sections have both had problems with their respective bank accounts and have asked to use our account to hold their funds whilst they close their old accounts and open new ones, the Executive Committee agreed to assist them hence there is £10266.89 in our account which will be repaid to them in 2022-23.]*

**Grants:** Grants were a little down on last year.

**Subscriptions:** Every service has paid.
