Fire Sport UK Grant Request 2022: £1500

Narrative

The squash section normally ask for a grant of £1000 to run two national events, the Championship and the Quadrangle.

Last year when the grant application process began it seemed unlikely we would be able to hold either so no application was made, in due course however both events did take place, albeit scaled down. As a results our funds are depleted such that if we only have £1000 this year, every year henceforth we would be unable to pay for the courts for the National Championships in May until after the Fire Sport UK AGM in June/July. This would put us in an embarrassing position with the venue which we have used for over 20 years.

To prevent this, we are asking for an enhanced, one off grant this year.
