After the AGM there was an open discussion covering, the tournament next year, the Quadrangle, Fire Sport UK nationally and succession planning for the officers of the committee.

It was decided to book NSRC for the bank holiday weekend at the beginning of May as a fallback whilst other venues are investigated. Support for Simon during the nationals would be sought on a rota basis.

It was also proposed that the Committee investigate playing at the Civil Service Championships if entry numbers drop any further.

Paul Drakes said his priority in his new role would be communication. His first task being to establish the person responsible for every services bulletin or newsletter.
