Hestair Dennis  
United Kingdom  
Squash Championships

Welcome once again to the Nationals at Prestatyn, to what has become a pilgrimage since we held our first championship here in 1976. Since those early days, we have seen the championships grow, not only in the standard of squash played, which can now be regarded as County level, but from an individual and plate competition to a tournament with something for everyone - embracing team, veterans and ladies' competitions. Only time and space have limited further growth at this stage, but who knows what the Secretary has up his sleeve for next year?

Our thanks once again to the management and staff of the St. Melyds Squash Club. We are always made most welcome and never feel strangers despite virtually taking the place over lock, stock and barrel(s) for the weekend!! The ever-present Peter Slee, our former Secretary, with his charming family, who as our local liaison officer never fails to grace the tournament both on and off the court. Our Past Chairman, Ken Hayton, Chief Officer of Clwyd, who always puts in an appearance, and we welcome his continued support; and, finally, our sponsors - Hestair Dennis - without whose most welcome assistance in these times of financial restraint, costs would escalate through the roof.

To all players and supporters, enjoy your squash. I am sure many new friendships will be joined as well as old ones cemented over a game and a drink or two in the bar this weekend.

Chairman
