FireSport UK Report & Grant Application 2024

Competitions –

UK Fire Training Camp October 2024 7 female/14 male

Crown Services May 2025, Edinburgh/Guernsey tbc

Low attendance at Crown Services 2024 mostly due to player availability (leave & injury). Unfortunately, no Women's team in this year competition.

Section has plans to regenerate participation through our NGB Volleyball England (VE) social media and advertisements. We are planning to host a training camp to support recruiting, we have a number of women players interested but were unable to attend this year's Crown Services. The Army and Police dominated this years competition.

Guernsey are offering to host next years Crown Services (2025) including funding court hire, etc. A fantastic opportunity to improve the whole event but with associated increase in player expenses. Decision pending in July 2024.

This years Grant request includes:

Crown Services Entry Fee = £500.00, VE Registration = £50.00 (provides insurance & Public Liability cover), Crown Services 2024 travel expenses for 4 players = £259.00, Training Camp planned October 2024 costs = £300.00

The section does not have any sponsors or produce programmes, etc. We currently only have income from our FireSportUK Grant and Player contribution. Grant covers Coach/Referee registration with Volleyball England (which gives us insurance during events), Crowns entry fee (£500) and 50% travel costs, court hire for training camps, playing kit & equipment.

We request £1100.00 for the section

ACCOUNTS

2024 1/1/24 Opening balance = £1107.38 Expenditure to date = £759.00 10/6/24 Current balance = £318.38
